

March 2017

Hello Manitoulin Island Country Club members and guests.

Spring has finally arrived and it is time to get out your clubs and get yourself ready for the 2017 golfing season.

The Municipality of Gordon Barrie Island and the golf course committee have granted me the opportunity to serve as your clubhouse manager for the upcoming season. It is with great pleasure I commit myself to this position.

The 2016 season was successful in increasing memberships and growing participation in our tournaments. Thanks to you, the members for supporting all of the events we promote.

We will be adding an old favorite The String Tournament back into our schedule of events on Sat. June 24. So get your foursome together and come out and have some fun.

Patrons are delighted with the electric carts purchased last year and we are able to keep up with the task of keeping them maintained and charged.

The clubhouse dining facilities are always available to you for daily service also catering to private and group functions. Please contact me with any inquiries. I anticipate we will have a very busy 2017 season in the dining room.

Mothers Day Brunch will be held on Sunday May 14/17. Two seating's, at 10 am and 12, reserve early, seating is limited we sold out last year.

Along with all the great specials we feature throughout the season this year Thursday nights we will promote a pub night offering Wing specials and local craft beverages.

The clubhouse will be open for dining and membership registration beginning on Thursday April 27 at 11 am.

Looking forward to seeing you all soon.

Thanks

Myrna Thomas

Clubhouse Manager
